

HAZARDOUS & TOXIC WASTES

DO NOT Include in Garbage or Recycling

No appliances or electronics/eWaste

No computers, monitors or TVs

It is **ILLEGAL** to dispose of hazardous materials in your garbage or recycling containers.

Containers found to have these materials will not be collected until such materials are removed.

No fluorescent tubes or CFL light bulbs

No syringes or needles (sharps)

No chemical cleaners, paints, solvents or other toxic chemicals

Proper Disposal of Hazardous & Toxic Wastes

Alameda County offers free drop off locations for hazardous and/or universal waste. For more information, go to www.household-hazwaste.org or call **800-606-6606**

INFORMATION & RESOURCES

Visit www.Stopwaste.Org to request a free *Alameda County Recycling Guide* and get comprehensive, up-to-date information on the following topics:

- **Reuse & recycling** – especially helpful for those items that are difficult to recycle or still in usable condition. Many nonprofit organizations that accept usable items offer tax-deductible receipts for donated items. Go to www.Stopwaste.Org/recycle for details on reuse and recycling
- **Environmentally preferable purchasing** – for information on how (and where) to “buy recycled” and purchase other environmentally preferable products, visit www.Stopwaste.Org/epp

Special acknowledgment to StopWaste.Org, the City of Oakland, Castro Valley District and Contra Costa Sanitary District for the use of their recycling images.

MIXED RECYCLING

It's easy, just put all your recyclables in the same container!

Put these items **IN**

All clean & dry paper
Office papers, newspapers, magazines, catalogs, brochures, phone books, file folders, envelopes, carbonless forms, junk mail
Plastic envelope windows, staples, and paper clips are okay.

Cardboard
Corrugated cardboard boxes, paper tubes & clean brown kraft paper

FLATTEN ALL BOXES

Plastic bottles, jars & jugs
Container opening must be smaller than the base; ♻️ only

Glass bottles & jars

Aluminum foil & pans
Rinse first

Steel, aluminum & aerosol cans
Empty, non-toxics only

Loose items only
NOT IN PLASTIC BAGS
Flatten all boxes

Batteries
Recycle household "dry-cell" batteries in a clear, heavy-duty, zip-type plastic bag.
Place the sealed plastic bag in your recycling container.

It is now **ILLEGAL** to put batteries in the trash.

Keep These Items **OUT**

No plastic bags No styrofoam No ceramics (dishes, cups, etc.)

No wet or food-soiled paper cups, plates or food wrappers No paper towels, paper napkins or facial tissues No plastic food containers

- No plastic wrap/wrappers
 - No drinking glasses
 - No mirrors
- No window glass
 - No light bulbs or CFL bulbs
 - No fluorescent tubes
- No oils or liquids
 - No building materials
 - No paint cans
